

a perfect companion for pedestrians, commuters, frequent flyers, shoppers, yoga enthusiasts, hikers, busy moms, museum-goers, beach bums, picnickers...

# coat tote™

carry your coat, umbrella, yoga mat, phone, newspaper, water bottle, hat, scarf, gloves, wallet, change purse, MP3 player, camera, tripod...

*an innovative hands-free accessory for the modern human on the go*

## Instructions

1. Remove shoulder strap from satchel.
2. Place shoulder strap over shoulder and adjust length as desired. Position coat-carry strip facing up and along hip.
3. Attach satchel to shoulder strap using Velcro fold on satchel-back. Once attached, satchel slides to base of shoulder strap.
4. Before securing coat to shoulder strap, fasten other items using gray cargo loops on underside of coat-carry strip.
5. To secure coat to shoulder strap, drape and center it on coat-carry strip then cinch black tie-down cord.
6. To attach Coat Tote to waist belt, tuck shoulder strap inside satchel, unstrap on satchel-back, feed strap behind waist belt and re-snap.

The Coat Tote™ is designed for consumers to secure their coat to a specially equipped, adjustable shoulder strap and carry it hands-free. It is also outfitted with a removable satchel and 2 adjustable cargo loops to carry other common travel items. When the product is not in use, the shoulder strap easily stores inside the satchel which, in turn, can be attached to a standard waist belt. Packaged in an attractive box, the Coat Tote makes a truly novel and practical gift for any occasion.
